RE: Corporate Plus Nomination

Dear Ms. Michel:

As a corporate member of the National Minority Supplier Development Council (NMSDC), Wyndham Worldwide Corporation is pleased to recommend CSA Central, Inc. and CSA Architects and Engineers, LLP for membership in the NMSDC National Corporate Plus+ Program.

The CSA Companies have been doing business with Wyndham Worldwide Corporation since 2006. CSA began as a construction/engineering consultant at Wyndham Worldwide Corporation, quickly earning respect for their achievements. Through their dedication and diligence they have become one of our largest minority-owned engineering, architecture, and construction firm vendors. CSA Companies currently provide architectural/engineering/design services to Wyndham Worldwide in support of our Wyndham Rio Mar Beach Resort & Spa in Puerto Rico. We wouldn't hesitate to consider using their services in any of our worldwide projects.

The CSA Companies service level has been consistently outstanding and we continue to strengthen our relationship with them. They are extremely committed to the local communities in which they operate. Their charitable, volunteer and community initiatives range from company-wide efforts to multiple, individual efforts encouraged and supported by all management levels within the firm. In addition, the CSA Companies have received numerous awards in recognition for their achievements such as the Puerto Rico Chapter Ernst and Young Entrepreneur of the Year Award, the Ohio Hispanic Chamber of Commerce Businessman of the Year Award, and the Cincinnati Hispanic Chamber of Commerce Leadership Award. Most recently, CSA received the 2008 Professional Services Firm of the Year Award from the Hispanic American Construction Industry Association (HACIA) and in 2009 the Gold LEED Rating from the US Green Building Council.

Based on our experience with CSA Central, Inc. and CSA Architects and Engineers, LLP, Wyndham Worldwide Corporation confidently confirm their ability to perform national and multi-regional contracts. We also believe that the Corporate Plus+ Program will provide CSA with well deserved national recognition and continuous growth opportunities.

Thank you for your cooperation and consideration. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,
